

UNIVERSITY OF  
CAMBRIDGE

Department of Social  
Anthropology

### **Policy on Online Meetings**

Some teaching and events, especially for larger groups will take place via Zoom links or other online meeting platforms. The Department policy is that no member of the Department who receives an invitation/link for any such meeting should pass these on to anyone not already registered to attend the event, and that no one should under any circumstances post these links onto any website or social media platform (including Facebook).
