DISSERTATION - Part IIA students

- End of Michaelmas **Discuss ideas** for a dissertation with your DoS early in your IIA year! You need to plan this, attend the compulsory Dissertation training workshops and have a supervisor to supervise you on an approved topic, so that needs some planning and an early start to help you get it on your way.
- End of Lent Term You and your DoS should aim to **agree on a topic and prospective supervisor** now. When your DoS has arranged it, you should meet your supervisor and begin reading for your dissertation. Start to make travel plans, if appropriate. You have to complete FORM1 [Proposal to Offer a Dissertation](#) soon after you return to Cambridge in Easter Term.
- Easter Term Start of Easter Term – make sure you have typed up a draft of the SAN FORM1 Proposal to Offer a Dissertation – various people need to read it, agree with it and sign it (eg. your assigned Supervisor, your Director of Studies) so make sure you do this early to give them time to consider your plans. The Deadline is 12 noon on 7 May, 2021.
